## ABOUT US

With hundreds of Indian restaurants in the Bay Area, why is there always a line at Chaat Café?

Our food is FRESH. We use the highest-quality ingredients. We roast our spices daily. We prepare everything from scratch, on the spot as it is ordered.

Our menu is INNOVATIVE. We invented The Wrap by combining two classics – a naan and tandoori chicken – to create the most popular dish in the Bay Area today. Our menu is always changing to reflect new ideas while respecting traditional tastes.

We are UNIQUE. We are the first Indian fast-food restaurants in the United States... a chain with creative flair. Our food is never prepared in a factory. Every location offers the same menu, but each has its own chef who puts his signature on every dish, sometimes adding regional specialties.

So get in line... The service, along with the food, is FAST.
